Changes to the CT Veterans Tuition

Our office is thrilled to announce that the University of Connecticut has extended the Veterans Tuition Waiver to include the Winter Intersession and all Summer Sessions! This extension of the waiver is for the full 100% cost of tuition; the same as the Spring and Fall semesters. The inclusion of the winter and summer sessions into the tuition waiver provide a significant increase in the available time eligible veterans can attend courses at UConn.

UConn supports its veterans! No other Connecticut university offers the tuition waiver at the 100% rate for the Winter or Summer sessions!

If you have questions on the waiver or your eligibility please stop by our benefits office in Arjona 340.

Veteran Housing Community

If you're currently residing on-campus and wish to return to on-campus housing next year, don't forget to submit your 2014-2015 On-Campus Housing Application by **January 24th**. For those students interested in living in the Veterans Community on-campus, please send an email by **January 31st** to Nikki.Cole@uconn.edu with your full name, student ID number, and indicate the full name of the person you want as a roommate (assuming they will also be sending a mutual request).

The Veterans Community will be located in South Suites for 2014-2015. Questions? Send your questions, via email, to Nikki.cole@uconn.edu about this living option.

Veteran of the Month

There are over 700 student veterans attending the University of Connecticut and many are highly involved in supporting the community from veteran outreach in downtown Hartford to setting up study sessions for biology students on campus. Our office is committed to recognizing these students and have implemented a 'Veteran of the Month' to honor those students that go that extra step in support of their fellow veterans, students, or community members.

We are pleased to recognize Patrick Greenhalgh as January's 'Veteran of the Month.' Patrick served in the Army as a

Non-Commissioned Officer in the Intelligence Corps in support of operations in Afghanistan, Kuwait, and South Korea. As a current sophomore in Political Science, Patrick is looking towards a law degree so that he may become a United States Attorney! As a new work-study student in our benefits office, Patrick has swiftly become an expert at the myriad range of veterans benefits and worked all through winter break assisting veterans with their paperwork.

Thank you Patrick!

If you would like to nominate a student for 'Veteran of the Month,' please contact [Nikki Cole](mailto:Nikki.Cole).
