Super Flag and Tailgater in the Fall

Our office, in coordination with SUBOG, Student Activities-Programs, and UConn Athletics, will be hosting the Super Flag at this year's UConn football home game against Temple on Saturday, September 27th. In the coming weeks we will start reaching out to past volunteers, staff, faculty, and current students to invite them to participate in the flag ceremony. Priority goes to members of the UConn community that have or are serving in the military as well as current students at any UConn campus.

Please volunteer to help with the flag! Our office will send out a Call for Volunteers in the coming weeks and we encourage all veterans to volunteer! Family members are welcome to volunteer also but must be age 5 or older. All volunteers receive a free ticket to the game.

In addition, our office will again be hosting a tailgater for UConn veterans and their families at this game. Sponsored by our office and the Alumni association, this official tailgate party will bring together past and present members of the UConn veteran community as we prepare to watch UConn demolish Temple! As space is limited, a call for RSVP's will go out this summer so please stay tuned to our newsletters!

Call for Applicants!

Our office is additionally looking to assist veterans seeking future careers, job placements, and internships in all majors! Our office routinely is contacted by companies looking to hire veterans or provide veterans, specifically, opportunities for training within their corporation.

We need YOU to come to us with your resume and transcript so we can work together to find you the best opportunity available.

Additionally, our staff has excellent experience at resume critiquing and development as it applies to translating military service to professional capabilities.

Veteran of the Month

There are over 700 student veterans attending the University of Connecticut and many are highly involved in supporting the community from veteran outreach in downtown Hartford to setting up study sessions for biology students on campus. Our office is committed to recognizing these students and have implemented a 'Veteran of the Month' to honor those students that go that extra step in support of their fellow veterans, students, or community members.

We are pleased to recognize Tim Hidu as the April 'Veteran of the Month.' An Air Force veteran who served a combat tour in Iraq in 2004, Tim is currently pursuing an MBA in the Stamford Campus Part-Time MBA program. Through this program, Tim has been developing a new business which seeks to create new turf grass fertilizer from an organic seaweed base that has been shown to reduce water consumption by 30%.

An academic overachiever, off campus Tim runs a commercial greenhouse outside and is a Master Gardener! We are proud to recognize Tim as the Veteran of the Month!

If you would like to nominate a veteran at UConn for 'Veteran of the Month,' please contact [Nikki Cole](#).

Serving those who have served

The Office of Veterans Affairs and Military Programs is responsible for all benefits, events, support, and outreach for veterans at the University of Connecticut. Additionally, our office works closely with the two resident ROTC Departments on campus to support their mission of training and preparing top ranked students for leadership in the United States Army or Air Force. The University of Connecticut has a long history of support for its veterans and military members and our office seeks to build upon this.

If you or a member of the community are interested in assisting with any of our efforts, or have new ideas of your own, we encourage you to come forward and see how together we can make UConn the premier destination for veterans and service members in the United States.
