November Veteran of the Month

The Office of Veterans Affairs and Military Programs at UConn is pleased to announce Gregory de Gruchy as UConn's Veterans of the Month for November 2016.

Gregory served 4 years in the U.S. Marine Corps. He enlisted in 2007 and was assigned as an Aviation Ordnance Technician at Camp Pendleton. From 2008-2009, Gregory deployed to Iraq as a technician and logistics supervisor. When he re-deployed in 2010, he was a Workcenter Supervisor in Afghanistan. Between his tours, Gregory became certified as a Marine Corps Martial Arts Instructor and he enjoyed teaching whenever he had the opportunity.

In 2014, Gregory graduated Summa Cum Laude from UConn in Allied Health Sciences. He spent the following year doing research in the Department of Kinesiology and taking classes within the Doctorate of Physical Therapy Program before he started Medical School at UCHC in 2015. Currently, Gregory serves as the Policy Chair for the American Medical Association (AMA) Chapter at UConn SoM. He helped author, and is currently leading an effort to pass a policy to get the AMA to include sexual orientation and gender identity in its demographics collection of members.

Gregory shares that what he's most enjoyed about UConn, "is the great mentorship and insight I have been able to receive from professors and graduate students throughout my education."

If you would like to nominate a student, faculty, or staff member for "Veteran of the Month," please contact Nikki Cole at nikki.cole@uconn.edu with the name of the person and reasons for your nomination.
