

# WE WANT YOU

## Our 2022 Mission

More than 300 veterans in Connecticut have been identified as homeless, and hundreds more face displacement each year. The proceeds of our donation drive will be donated to these heroes and their families through local shelters. We are proud to be partnering with the South Park Inn, in Hartford, CT, as well as Homes for the Brave, in Bridgeport, CT. Please join us in supporting these families in their times of need.
